Position Information

Position Title: Director of Mental Health Services

Institution: Georgia Regents University

Department: Counseling Center

Position Description: Responsibilities

- Provide administrative oversight for the Student Counseling Center, assuring the highest standards of professional and ethical conduct for the professional staff of providers including licensed Clinical Psychologists, licensed Counselors, and trainees (e.g., graduate students, residents, or interns).
- Responsible for the timely delivery of comprehensive mental health services and provide guidance and collaboration with the other departments at GRU and the surrounding community. The Director will be expected to provide direct client services as a mental health provider in addition to her/his administrative duties.
- Ensure that ongoing professional development and training for staff is occurring so that providers can maintain licensure and stay up-to-date with best practices and evidence-based mental health care treatment.
- Work collaboratively with Student Health Services in providing quality mental health services as well as a comprehensive wellness program.
- Responsible for the development, delivery, and assessment of new and existing outreach programs that promote and provide practical and effective education and skills for students through seminars, workshops, and other engagement events.
- Responsible for all budgetary matters related to the operations of the SCC, including planning, monitoring, and reporting as required by the Division of Student Affairs and GRU-wide policies and procedures.

Salary: \$80,000 - \$100,000

Start Date: 8/22/15

Qualifications:

- Ph.D or a Psy.D from an accredited APA-approved Psychology program and a
- Licensed Psychologist, (Must be licensed as a psychologist in the state of Georgia or must be able to transfer current license to the state of Georgia within 90 days of the start date). Five years' of combined Clinical and Administrative experience.
- Excellent analytical, interpersonal, organizational, customer service, communication skills, and strong computer skills including knowledge and abilities with various databases.
- Experience with and/or interest in preventive psychological education and outreach programs
- Prior administrative experience or training in QI activities, budget planning in health care and supervision of mental health professionals and relevant support staff
- Prefer at least two years of clinical experience in a college or university counseling or mental health setting and experience with disorders typically seen at a university counseling service.

Institution Description: We are looking to fill a Director of Mental Health Services (Counseling) position at our beautiful Georgia Regents University campuses located in Augusta, GA. Our mission is to provide leadership and excellence in teaching, discovery, clinical care, and service as a student-centered comprehensive research university and academic health center with a wide range of programs from learning assistance through postdoctoral studies.

Region Description: Augusta, Georgia is the second-largest city in Georgia and is located on the southern bank of the Savannah River midway between the Great Smokey Mountains and the Atlantic Ocean. It is a growing and thriving city with a metropolitan area & recently ranked the second most favourable place to live in Georgia.

Additional information (if applicable): At Georgia Regents University and Health System, we pride ourselves on hiring the very best employees that the industry has to offer. We believe in a balance between your personal and professional life and that good things become great things when the best minds come together. We believe that creativity solves the world's biggest problems and that this southern city has a tremendous impact around the world because of our employees. We are looking for new talent to join our team.
