

## **Position Information**

**Position Title:** Staff Counselor

**Institution:** Mercer University

**Department:** Counseling and Psychological Services

**Position Description:** The Staff Counselor provides clinical services, crisis management, and education/outreach to all enrolled Mercer University students. This position provides consultation to the Mercer community. The Staff Counselor will provide educational/outreach support to Mercer University's Title IX office as well as actively coordinate and collaborate with other University departments. The Staff Counselor participates on various university committees as applicable and is a visible participant within the University community through regular attendance at various University-sponsored events. This position requires after-hours work, including after hours on call crisis management rotation and flexibility in assignments.

**Salary:** Commensurate with experience

**Start Date:** 8/22/15

**Qualifications:** A minimum of a master's degree in psychology, marriage and family counseling, professional counselor, social work or closely related discipline from an accredited college/university and at least 2 years of clinical experience in a university or counseling services agency is required. Applicants must be licensed as a Psychologist, LMFT, LCSW, LPC or be licensed eligible in these areas in the state of Georgia within one year of their date of hire. The successful candidate will have the ability to provide crisis intervention to assist students and be able to provide individual, group, and couples counseling to diverse clientele on a university campus. In addition, they must have the ability to develop and educate students, faculty and staff in the areas of interpersonal violence as well as topics related to mental health. Selection of the final candidate is contingent upon successful completion of a criminal background check.

**Institution Description:** Mercer University is one of America's oldest and most distinctive institutions of higher learning, offering rigorous programs that span the undergraduate liberal arts to doctoral level degrees. Mercer University's mission is to teach, to learn, to create, to discover, to inspire, to empower and to serve. Approximately 4,100 undergraduate, graduate and professional students comprise Mercer University, on the Macon campus.

**Region Description:** Macon is a thriving community that boasts a metropolitan vibe while preserving its small-town charm. Macon is just over one hour from Atlanta and less than three hours from the Atlantic coast.
