Position Information

Position Title: Staff Psychologist

Institution: Rush University Medical Center

Department: Counseling Center

Position Description: This half-time position provides mental health services to currently enrolled students at the university, as well as to members of the housestaff. In addition to psychotherapy with individuals and couples, this clinician will also consult with faculty and staff as appropriate, provide crisis intervention services, and offer periodic educational workshops.

Salary: competitive

Start Date: ASAP

Qualifications: Doctorate in Clinical or Counseling Psychology, Licensure as a psychologist in Illinois, or eligibility for, licensure within one (1) year, Three (3) years of post-graduate experience, preferably in a university setting, Prior work experience providing culturally competent services to a diverse student body, Strong generalist skills

Institution Description: Rush University is a health sciences institution that is part of a leading academic medical center. The majority of students at our non-residential campus have already completed Bachelor's degrees. The university enrolls 2,450 students in its four colleges including Rush Medical College, College of Nursing, College of Health Sciences, and the Graduate College. There are also 650 residents and fellows who are at the medical center for post-graduate training, and they are eligible for services through the Residency Counseling Program at the Center.

Region Description: Rush University is located close to downtown Chicago, a major metropolitan area in the midwest. It is accessible by public transportation, and is close to major highways.
