- Shares on call responsibility with other counseling staff
- Follows centers policies and procedures consistent with state mental health statutes, ethical guidelines, best practices, HIPAA, and FERPA
- Maintains confidentiality according to the professional and ethical guidelines of the American Psychological Association
- Remains updated on research and best practices related to mental health topics and counseling in higher education
- Pursues professional development through professional organizations and conferences
- Attends and presents in regular case staffing
- Serves on internal and external committees as requested by Director of Counseling Center
- Performs other duties as assigned by Director of Counseling Services.
- Other duties as assigned.

Requirements:

- Doctoral degree (PhD/PsyD) in Clinical or Counseling Psychology and completed internship in counseling or clinical psychology from an APA accredited program
- Licensed or licensed eligible in state of Indiana
- Demonstrated successful experience in provision of counseling services to an older adolescent and adult population is required. University Counseling Center experience preferred.
- Demonstrated commitment to cultural competence and demonstrated successful experience in provision of psychological services to underrepresented and marginalized groups
- Strong case formulation, assessment and treatment skills, including the ability to understand transference and countertransference in working clinically with a diversity of clients, issues and levels of impairment.
- Knowledge of developmental trends and concerns of undergraduates, graduate and professional

students.

- Expertise in working with substance abuse preferred.
- Outstanding oral and written communication skills, able to dialogue effectively with a wide range of students, faculty and staff
- Demonstrated ability to collaborate collegially with a multidisciplinary staff, both within Counseling and Consultation Services and throughout the University community
- Ongoing pursuit of self-knowledge and understanding of own personal factors affecting clinical work
- Dedication to protecting confidentiality and meeting all ethical standards associated with the practice of psychology within a university counseling center context including experience in management of client data and compliance with all HIPAA and FERPA requirements

Located within 10 minutes of downtown Indianapolis, Marian University is one of the nation's preeminent Catholic institutions of higher learning, and ranks as one of *US News & World Report's* top universities in the Midwest Region. Marian University was founded in 1937 by the Sisters of St. Francis, Oldenburg, Indiana, and the Franciscan Values that the Sisters ingrained into the university's culture are still prevalent today. The university has experienced tremendous growth in the past 15 years under the leadership of President Daniel J. Elsener, including the opening of the Marian University College of Osteopathic Medicine in 2013 – the state's first new medical school in 110 years. Marian University's football team has captured the NAIA national championship in 2012 and 2015. In 2016 and 2017, the women's basketball team won back-to-back NAIA national championships. Marian University is also home to the most successful collegiate cycling program in the nation, which currently holds 46 national titles.

Review of applications will begin immediately and continue until the position is filled. Applications require a current resume, a cover letter, and names and contact information of three current references.
