PENDING BOARD APPROVAL

Date of Notice: October 31, 2018

POSITION OFFERED: Clinical Counselor

EMPLOYMENT DATE: December 2018

TERM OF EMPLOYMENT:
Full-time, Renewable, 10-Month

JOB DESCRIPTION: Clinical Counselors employed in the Office of Mental Health Services provide vital mental health services to residential and commuter students. Clinical Counselors are responsible for evaluation, diagnosis, brief treatment, consultation, crisis intervention, and referral of students in the support of academic success and retention in accordance with the College's mission and values. They are at once mental health experts and higher education professionals, addressing the unique challenges that affect college students and campus communities. The Office of Mental Health Services emphasizes mental health outreach and interventions with students who identify from historically marginalized and underrepresented groups, including but not limited to first generation students, students of color, non-traditional age students, students with disabilities, and international students.

QUALIFICATIONS: Master's degree in psychology, social work, or related clinical counseling field and 2 years of related experience. NY State licensure/certification or license eligible within two years of initial hire date. Experience working with issues encountered in late adolescence, including new onset psychological symptoms/diagnoses, trauma issues, identity, transgender identity, men's issues, sexual trauma, eating disorders, and substance use disorders. Multicultural competency in working with students of color, students from all economic classes, first generation students, LGBTQ students, and international students.

PREFERRED QUALIFICATIONS: Experience working in higher education. Expertise in short-term treatment, including brief psychotherapy, stabilization and referral of serious mental illness, suicide assessment, and crisis intervention. Competency in one or more of the following areas: diversity and multicultural issues, suicidality, eating disorders, substance abuse, and sexual assault trauma. Ability to adapt to emerging technologies.

EXPECTED HIRING SALARY RANGE: \$47,267 - \$59,085 - Starting salary will be commensurate with qualifications and experience.

Review of applicants to begin December 3, 2018 and continue until position is filled.
