

THE UNIVERSITY OF TEXAS AT EL PASO™
**COUNSELING AND
PSYCHOLOGICAL SERVICES**

Staff Psychologist Position

The department of Counseling and Psychological Services at The University of Texas at El Paso is excited to announce a Staff Psychologist position beginning June 25, 2018. Primary responsibilities will include, but are not limited to individual, couples, group and career counseling; career and psychodiagnostic assessment; outreach programming and consultation; crisis intervention; training and supervision within our APA accredited internship program.

Required Qualifications:

- Doctoral degree in Clinical or Counseling Psychology from a regionally approved program.
- Has obtained more than 1,750 hours of supervised post-doctoral experience (1 year full time, 2 years part time).
- License eligible in the state of Texas within 6 months.

Preferred Qualifications:

- Two years post-licensed experience as a psychologist.
- Completed an APA accredited doctoral and internship program.
- Experience providing clinical supervision to graduate level trainees in psychology, social work, and/or counseling.
- Bi-lingual Spanish-English.
- Grant writing experience.

Required application materials:

- Cover letter
- Curriculum vitae
- A list of three professional references

How to Apply:
