**University of Utah Counseling Center**  
**Posting#PRN08704N**

**Position Summary:** The University Counseling Center (UCC) welcomes applications for a part-time *Mental Health Therapist* to work in our multidisciplinary campus counseling agency. This position is open to mental health professionals in social work, clinical mental health counseling, psychology, and marriage and family therapy.

**Responsibilities:** Primarily responsible to provide individual and couples counseling, with intake assessments, case management and crisis duties as assigned. The successful candidate will have a demonstrated commitment to working effectively from a multicultural orientation with our diverse college student population.

**Qualifications:** At a minimum, candidates must demonstrate eligibility for licensure for independent practice in Utah as follows: For Social Work, have completed a Masters of Social Work and obtained licensure as a Clinical Social Worker. For Professional Counseling, have completed a Masters of Mental Health Counseling and obtained licensure as an Associate Clinical Mental Health Counselor. For Psychology, have completed an APA-accredited doctoral internship in counseling or clinical psychology and obtained licensure as a Certified Psychology Resident. For Marriage and Family Therapy, have completed a clinical master's or doctorate degree in marriage and family therapy accredited by the Commission on Accreditation for Marriage and Family Therapy and obtained licensure as an Associate Marriage & Family Therapist.

Applicants must document experience providing short term counseling to individuals and couples; and experience with crisis intervention and clinical consultation. Candidates must demonstrate excellent human relations skills and effective verbal and written communication skills.

**Preferred Qualifications:** Current licensure for independent practice in Utah, in social work, professional counseling, psychology or marriage and family therapy. Preference will be given to candidates with documented experience working with a multidisciplinary team, previous experience in college student mental health counseling and crisis intervention, a strong commitment to and expertise in multicultural issues, and familiarity with Salt Lake Valley community resources. Fluency in Mandarin or language other than English is also preferred.

**Work Schedule:** A maximum of 19 hours per week to be conducted on Thursdays and Fridays (8:00 am – 5:00 pm) and either Tuesday or Wednesday evening (4:30 – 6:30 pm).

**Hourly pay rate** ranging from \$22 - \$25/hour to be determined based on previous experience and licensure status. This is a non-benefited exempt staff position.

**Start Date:** On or around January 3, 2019
